IMPROVEMENTS AT MADDINGTON CHURCH ROOM

Thanks to the generosity of Shrewton Charitable Trust, we now have a beautiful new feature window, a loft hatch so we can install loft insulation at a future date, and we have new fascias, soffits and guttering which will hopefully keep us watertight this winter.

During the summer holiday we have also carried out some repairs to the interior and reclaimed the brick fireplace. Our next project, for which we shall be fund raising this winter, is to install some ceiling pads to improve the acoustics.
